### **REG GG Notification to Commercial/Business Members**

The Unlawful Internet Gambling Enforcement Act (UIGEA) of 2006, signed into law in 2006, prohibits any person engaged in the business of betting or wagering (as defined in the ACT) from knowingly accepting payments in connection with the participation of another person in unlawful internet gambling. The Dept. of Treasury and the Federal Reserve Board have issued a joint final rule, Regulation GG, to implement this Act.

As defined in Regulation GG, unlawful Internet gambling means to “place, receive or otherwise knowingly transmit a bet or wager by any means which involves the use, at least in part, of the Internet where such bet or wager is unlawful under any applicable Federal or State Law in the State or Tribal lands in which the bet or wager is initiated, received or otherwise made”.

Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling.

As a member of River Works Credit Union, these restricted transactions are prohibited from being processed through your account or banking relationship with us.
